

Passion Frontiers is an organisation that is dedicated to the fulfilment of the Great Commission (Matt 28:18-20) through the mobilization of youths.

We have developed various ministry models that have been designed for the furtherance of our vision. Some of our ministry models that are currently operating are highlighted in this document.

We see the opportunity in Zambia being a Christian nation, we believe we are strategically positioned in the middle of the continent, making it possible for us to take the Gospel of Jesus Christ to the four corners of Africa. A lot of evangelical work is being done amongst our own people but as God's country it is our mandate to take the gospel to all peoples.

### ➤ **Revival Week**

Revival week is a 7-day revival for the youth by the youth that runs for 2-3 hours each day for an entire week. Its purpose is to ignite fire and passion for the Great Commission in the indigenous Christian presence that is within higher learning institutions (Universities and Colleges). It is for the most part an art concert that incorporates of various speakers. We believe in the relevance of arts, if we are to effectively communicate the gospel in this day and age, most especially amongst the youths.

Through this initiative Passion Frontiers has hosted hundreds of students from various walks of life, different cultural settings and professions. We have seen countless lives brought to the saving knowledge of Jesus Christ.

➤ **THE APPLIED SCRIPTURE CHALLENGE**

The Applied Scripture Challenge is a 30-day social media challenge that has been designed to help believers identify themselves through the word of God. We believe we are the light of the world (Matt 5:13) and our light should not be hidden.

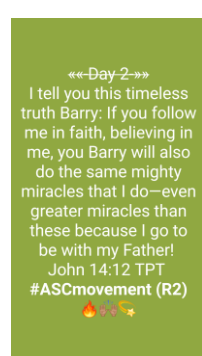

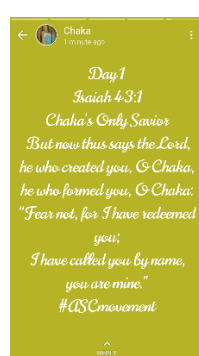

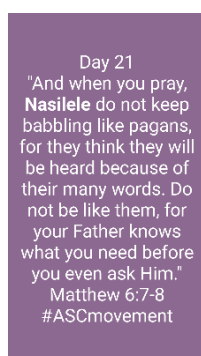

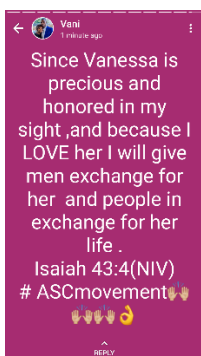

Over millions of youths from around the world access social media on a daily basis, we believe as the body of Christ we can utilise this medium for the Gospel, by introduction positive and self-building ways through which young people can utilise social media.

In the last 6 months alone over a thousand young people from all over Zambia have taken the applied scripture challenge and have seen their lives transformed.

Participants are added to one of our 'Applied Scripture Challenge' Social Media Groups where they join hundreds of other youths who are also currently taking the challenge, once there our teams brief them on how to go about the challenge.

These are the simple guidelines we have as pertaining to the challenge

1. Choose any scripture you want from the Bible, one that relates to you and your situation at that particular moment. *E.G- John 3:16 'For God So Loved The World That He Gave His One And Only Son That Whosoever Believes In Him Shall Not Perish But Have Everlasting Life.'*
2. Substitute yourself in the chosen scripture, such that the scripture is talking to and about you. *E.G- John 3:16 'For God So Loved **Mwape** That He Gave His One And Only Son That **When Mwape** Believes In Him **Mwape** Shall Not Perish But Have Everlasting Life.'*
3. Type it out on your Statuses/Wall/Instagram/Twitter/ETC and share it.
